

PIRAEUS PORT AUTHORITY S.A.

Piraeus, 13/5/2008

Additional notifications in the notes to the financial statements for the year 2007

It is notified to the investors' community that in the notes to the financial statements of financial year 2007, that are published in the web page of our company www.olp.gr, as well as in the web page of Athens Exchange www.ase.gr, additional data on the explanatory notes 10,17,19 and 21, has been incorporated. Additional data has been approved by P.P.A S.A Board of Directors on 12/5/2008 and audited by the independent auditor.

The additional data was requested by the Hellenic Capital Market Commission and concerns disclosures provided for in the new standard IFRS 7 (Financial Instruments: Disclosures), which was first applied in 2007, as well as information concerning the actuarial study for provisions and obligations to employees.
