**Subject: Extension and clarifications regarding the tender procedure for the procurement of Rectifier for Straddle Carrier ESC350W .**

Interested parties are kindly requested to refer to all clarifications published provided by PPA, regarding the questions received until 07/05/2021, in relation to the tender "Rectifier for Straddle Carrier ESC350W ,until **Monday 17<sup>th</sup> May** at 16:00 Greek time.

The said reply constitutes an integral part of the Call.

**Question 1:**

Could you please provide the serial number of the Straddle Carrier where the rectifier will be installed?

**Answer 1:**

**ESC350W Year: 2012 S/N: 4899, 4900, 4901, 4902**

**Question 2:**

At point 1 of the general terms and requirement you mention manufacturer's certificates and manuals; please clarify what kind of certificates and manuals should be provided.

**Answer 2 :**

**We need certificates that the Rectifier can support the requirements of the machine according to the manufacturer's information, as well as the specific dimensions that it must have for its placement in the specific position.**

**It's important that the supplier certifies the compatibility of the spare part according to the spare part number.**

**The manual can show us the layout of the components and how they work**

**Question 3:**

Delivery terms DAP will be offered instead of DDP, please confirm if this would be acceptable.

**Answer 3:**

According to tender terms : **DDP terms**

**Question 4:**

We would like to formally request you 1 week extension of the deadline to submit offers, please confirm if this would be possible

**Answer 4:**

Please, be informed that regarding the above mentioned tender, an extension for the submission of offers has been granted, i.e. until **Monday 17<sup>th</sup> May**, 16:00 Greece time.

Please visit regularly PPA SA website, in order to be promptly informed about the above mentioned tender.
