**Question 1:**

*“ ... we need some clarifications:*

- First of all, we would like to know the crane's brand, model and serial number for which the parts are needed.*
- Additionally, would it be possible to know festoon's manufacturer name? We would also need more details about the requested flexible towing ropes such as the material, material's specifications and the number of cables in the multicore case. A picture of the festoon and of each of the requested towing ropes would be appreciated too...”*
