**SUBJECT:** New clarifications (part 5) regarding the repetitive tender for the procurement of Festoon Tow Ropes for the needs of QCs 1-7 of PPA SA Container Terminal Use.

Interested parties are kindly requested to refer to all clarifications published provided by PPA, in relation to the subject tender.

**Question 1:**

*“ ... Regarding the tender for the procurement of Festoon Tow Ropes for the needs of QCs 1-7 of PPA SA Container Terminal Use, we still have some doubts:*

- Regarding the ZPMC tow ropes, could you, please, indicate the part we have to offer from the provided drawing? Is it part TX3A-2 or TX3A-4? ...”.*

**Answer 1:**

We need a reel of tow rope, single core, for festoon system D = 18,5 mm X L = 1000 m & a reel of tow rope, multicore, for festoon system D = 19,8 mm X L = 500 m in order to cut them in pieces.
